

“Blessed Are Those Who Remember Love”

Source: Matthew 5:1-12, The Beatitudes

Come, be a part of Zion Lutheran Church's
10:15 a.m. Service
On Sunday, January 30, 2011

Maureen Matthews, RN, PhD

will share with the children and adults the above message
that she has learned from the people with whom she works.

Dr. Matthews is director of the
Early Memory Loss Program
at the Stamford Counseling Center
and founder of the theater project
To Whom I May Concern® *

She has heard many stories from people
who know well the life changes
and faith challenges
that come with memory loss.
Memory loss goes beyond
the underlying disease.

“Memory loss challenges our identity
as an individual and
as a community and
offers each of us
an opportunity to become more
than we think we can be.”

A reception follows the service
